

**Michigan Department of Environmental Quality**  
**Communities in Southeast Michigan Needing a Phase II Storm Water Permit**  
**Based on 1990 and 2000 Census Urbanized Areas**  
**July 31, 2002 draft**

*This draft list of communities has been supplied by the Michigan Department of Environmental Quality (MDEQ). Each community on this list will receive a notification letter from MDEQ that informs them of their need to meet the Phase II Storm Water Requirements. If the community feels it should be exempt from this permit process (e.g. communities served 100% by combined sewers), it must petition MDEQ through written notice, including appropriate documentation.*
